

Dec 2008

I hope that you will enjoy the following pictures from our yearly effort to bring some cheer into the lives of the elderly who reside at the nursing home on Arthur Rd. Former graduates from W.H.S: taking pictures Chaveli Flores who is on her last year at U.C. Davis, Juan Carlos Mendez on lead guitar also on his last year at C.S.U.M.B, and Norma Sanchez who is working on her masters at San Jose state and is a Charter School of Arts mom. From our community we were joined by some musicians from Assumption church. But the highlights of our event were our E.A. Hall ELAC moms, our newcomer students, Jan B. our site counselor, four MCA students (and former E.A. Hall grads.) from W.H.S, Pablo Flores from Alianza, Yvonne Sanchez from Charter school of arts and for the first time we had one student from P.V.H.S. and representation from Pajaro Middle School. As always the main goal of this event is to help our students learn English by participating in our own community in a positive way.

Enjoy these pictures! Marta Flores, EA Hall Teacher
