

# PVUSD Hold Harmless Middle School Grading Policy

## Process\*

First, consider program shift by providing other options such as Independent Study, Reduction to Core Subjects, or paper packets

If unable to find other option, get committee feedback led by Site Principal. Use Interactive Dialogue Process using district-wide form with stakeholders which could include counselor, teachers, site administration, parent and student. Priority will be given to 8th grade students

Decision made by Admin and Student Services ultimately reviewed by Assistant Superintendent

Student receives a Non-Credit for 4Q (will not impact GPA) and will be eligible and enrolled in either Bridge, Jump Start, After School Intervention or Winter Intersession as determined by need

\*CA ED Code 49067

Notification, via conference or written form, "In Danger of Failing" prior to issuance of D or F
